## **SSI Investment Management Chairman and CEO Amy Jo Gottfurcht to Address Client Reporting North America Conference**

**Amy Jo Gottfurcht will share her 28 years of Long/Short Market-Neutral, Convertible Arbitrage and derivative-reporting experience as an Industry Expert panelist at the 2008 Client Reporting North America Conference on September 15-16 in New York.**

(Beverly Hills, CA) - SSI Investment Management Chairman and CEO Amy Jo Gottfurcht will address the inaugural Client Reporting North America Conference at the Marriott Downtown in New York, NY on September 15-16 2008. This premier client reporting event, previously hosted in Europe, is brought to United States audiences by Osney Media. The conference will address such pertinent issues as: challenges on reporting fund of funds, the parallel increase in portfolio complexity and reporting requirements, mixed asset class reporting and risk management sensitivity.

Ms. Gottfurcht will co-host and address a panel discussion on Tuesday, September 16<sup>th</sup> at 9:15am, addressing specifically the topic of "Client Reporting in an Era of Increasing Complexity." As an expert industry speaker and highly respected professional in Long/Short, Convertible and derivative strategies, Ms. Gottfurcht will discuss the challenges of reporting on complex derivative strategies and structured products.

As the Chairman and Chief Executive Officer of SSI, Ms. Gottfurcht is responsible for the strategic development of the Firm and oversees all of its operations. With over 28 years experience in management, she supervises the compliance, systems, investment technology, and client service areas. Collaborating with the Firm's investment team to develop new products, Mrs. Gottfurcht also directs all business development efforts. She is very active throughout the securities industry, regularly speaking at seminars about Market-Neutral and operational efficiencies in the alternative investment arena. Mrs. Gottfurcht received a BS degree in Finance, *Magna Cum Laude*, from Arizona State University in 1979.
